

# HYDRAULIC SELECTOR VALVE AIRSHIFT, 3-WAY / 2-POS.

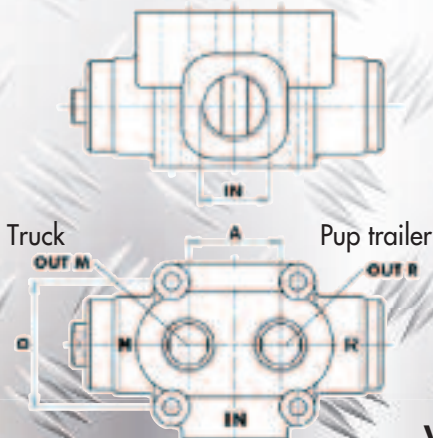

We are pleased to announce the addition of this new Selector Valve to the Archimedes product line. It has three 1" (SAE-16 ORB) ports and an integrated airshift. It has a zinc plated body and a nickel spool. This is a top quality European-made product. Can be used with a single-action or a double action air valve.

To order, please specify following part numbers:

- **SV1-AS :** Selector Valve for Truck / Pup with integrated airshift
- **202702-16-16 :** Adaptor, 1" Male JIC Straight
- **2062-16-16 :** Adaptor 1" Male JIC 90° Elbow
- **QD-16 :** Wing Type Coupler, 1" NPT (pair)
- **3200-1A :** Pneumatic Toggle Switch for 1/4" tube
- **TGA-4** Toggle Guard for Pneumatic Switch
- **PC1/4-N01 :** Push-On Fitting for 1/4" tube
- **1269221 :** Red Indicator Light 12 V
